Message Body:

I support Cllr Francis Noel Duffy proposal to extend the metro/Luas to Rathfarnham. I have lived in [REDACTED] all my life and recent years has put a big strain on public transport and traffic infrastructure in the area. There have been a large number of housing developments (Stocking Wood, Ballycullen, Scholarstown Wood, etc.) with no real additional investment in transport. There is now a large site for over 200 houses going on the market at the St Augustinians. The Bus Connects programme will hopefully help this but the opportunity to extend the metro/luas to the area will have benefits for the next 30, 40 years and comes at the right time before the area comes to a standstill.
