Message Body:

To the hard working staff on the EMRA team.

I would like to support the RSES amendments seeking the extension of the Metro to South Dublin & the Red Luas extensions. These include City center Metro extension to Knocklyon, Tallaght Luas extended to Booterstown creating a south orbital route linking the existing Luas, proposed Metro and Dart. Finally the extension of the Saggart Luas to Hazelhatch (currently in SDCC's development plan as a transport rail corridor), this line will open up land for sustainable transport.

Yours faithfully and many thanks,
Cllr Francis Noel Duffy
